HIGH SCHOOL

Aims and Ethos

Surbiton High School aims to **inspire, encourage and empower** all its students to discover and embrace their individual talents, within United Learning's core mission to bring out "the best in everyone". We combine an intellectually rigorous academic environment with outstanding pastoral care and outstanding co-curricular opportunities; through this provision, we encourage our students to live out our **School values**, and become compassionate, respectful, courageous, and inquisitive members of the community.

Our Values

We are compassionate:
We are kind and we care, in both thought and action. We consider those less fortunate and strive to support and offer aid. We are mindful of the gentle power of positive actions. We support and encourage those around us, living out the School's motto: *Amor nos semper ducat* (May love always lead us).

We are respectful:
We respect all people equally. We respect ourselves, our learning, our community, our environment, and the planet we all share. We strive to act with respect and integrity in all things. When we disagree, we do so respectfully.

We are courageous:
When challenged by our fears we are determined, not deterred. We call on resilience for strength when in the heat of the struggle. We bravely chase our dreams and fight for what we believe. When we fall, we pick ourselves up and forge forward.

We are inquisitive:
We understand that a thoughtful question is the key to unlock understanding. We believe where answers provide ends, questions pose exciting beginnings. We are eager to explore, we question to discover, we are curious to learn more of the world at large.

We are a community:
We are united - with a common focus. We value belonging to a wider community: our school community, our local community, our global community. We are inclusive of all, no matter our differences. We value and nurture the connections we form.

United Learning and the United Church Schools' Trust

Surbiton High School is part of *United Learning* and the *United Church Schools' Trust*. The School has an Anglican foundation, valuing its Christian heritage whilst welcoming staff and children from all faiths and none. We share with United Learning its core mission statement "to bring out the best in everyone". We are committed to the aims of United Learning, including its *Framework for Excellence,* which can be found at: www.unitedlearning.org.uk

HIGH SCHOOL

Introduction

Surbiton High School is a friendly and vibrant community where individuals thrive and are happy, secure, confident and valued. Our approach combines an intellectually rigorous and challenging academic environment. We are a school where passion and energy abound; a school with a real heart and soul, where we look beyond the A* to offer a breadth of opportunity which allows every pupil to flourish.

Academic achievement forms a key part of this aim and helps prepare pupils for their subsequent education and their future lives. Surbiton High School uses a variety of internal and external assessments to inform teaching and learning. These assessments are intended to facilitate pupil progress and the evaluation of that progress against relevant national norms.

This statement is available to relevant parties in accordance with our statement on the provision of information and can be found on our School website.

Institution Overview

Chart 1.1 SPC Chart - Results from all Qualifications

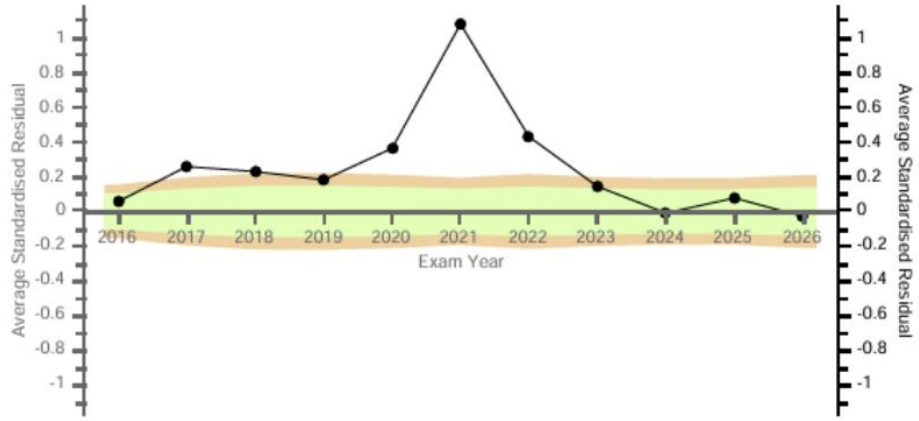

Chart 1.1 shows the value-added scores for Surbiton High School that have been analysed by Alis since 2010 and includes results from ALL qualifications. Data summarised for each qualification type can be seen overleaf. The shaded areas represent confidence limits, the green area a 95% limit and the tan area a 99.7% limit. If a value lies within a shaded area, then the value can be deemed as 'normal' whether it is negative or positive. It is only when the value falls outside the shaded areas that the value can be deemed significant, thus implying that some factor in the teaching and learning, external to the students, has contributed to the value.
