Aims and Ethos

Surbiton High School aims to **inspire, encourage and empower** all its students to discover and embrace their individual talents, within United Learning's core mission to bring out "the best in everyone". We combine an intellectually rigorous academic environment with outstanding pastoral care and outstanding co-curricular opportunities; through this provision, we encourage our students to live out our **School values**, and become compassionate, respectful, courageous, and inquisitive members of the community.

Our Values

We are compassionate:

We are kind and we care, in both thought and action. We consider those less fortunate and strive to support and offer aid. We are mindful of the gentle power of positive actions. We support and encourage those around us, living out the School's motto: *Amor nos semper ducat* (May love always lead us).

We are respectful:

We respect all people equally. We respect ourselves, our learning, our community, our environment, and the planet we all share. We strive to act with respect and integrity in all things. When we disagree, we do so respectfully.

We are courageous:

When challenged by our fears we are determined, not deterred. We call on resilience for strength when in the heat of the struggle. We bravely chase our dreams and fight for what we believe. When we fall, we pick ourselves up and forge forward.

We are inquisitive:

We understand that a thoughtful question is the key to unlock understanding. We believe where answers provide ends, questions pose exciting beginnings. We are eager to explore, we question to discover, we are curious to learn more of the world at large.

We are a community:

We are united - with a common focus. We value belonging to a wider community: our school community, our local community, our global community. We are inclusive of all, no matter our differences. We value and nurture the connections we form.

United Learning and the United Church Schools' Trust

Surbiton High School is part of *United Learning* and the *United Church Schools' Trust*. Part 1: Missing/Absent Child Policy

This policy covers:

1. Information for parents
2. Action to be followed by staff if a child fails to attend first day of School
3. Duty to report
4. Actions to be followed by staff if a pupil goes missing from the School
5. Actions to be followed by staff if a pupil goes missing on an outing
6. Actions to be followed by staff once the pupil is found

Policy Statement

The welfare of all our children at Surbiton High School (“the School”) is our paramount responsibility. Children being absent from education for prolonged periods and/or on repeat occasions can act as a vital warning sign to a range of safeguarding issues including neglect, child sexual and child criminal exploitation - particularly county lines. It is important that the School’s response to persistently absent pupils and children missing education supports identifying such abuse, and in the case of absent pupils, helps prevent the risk of them becoming a child missing education in the future. This includes when problems are first emerging but also where children are already known to local authority children’s social care and need a social worker (such as a child who is a child in need or who has a child protection plan, or is a looked after child), where being absent from education may increase known safeguarding risks within the family or in the community.

Every adult who works at the School has been trained to appreciate that they have a key responsibility for helping to keep all of the children safe at all times. This includes the importance of effective information sharing to ensure our children are safe and receiving suitable education. Where staff have concerns that a child is missing from School, this policy should be followed.

Every member of our staff who works with children has read Part 1 of *Keeping Children Safe in Education* (KCSIE). Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he or she is in our care.

The School will always consider the wider circumstances around a child going missing from School and whether there are wider safeguarding concerns that may need to be addressed in line with the School's Safeguarding Policy.

This policy should be read in conjunction with the following policies:

- Safeguarding (Child Protection) Policy
- Staff Code of Conduct
- Attendance Policy

SURBITON

HIGH SCHOOL

This policy was drawn up having had regard to the Independent School Regulatory Requirements, Early Years Statutory Framework, and Department for Education's guidance KCSIE and 'Children Missing Education'.

This policy applies to all members of our School community, including those in our EYFS setting.

Surbiton High School is fully committed to ensuring that the application of this policy is non-discriminatory in line with the UK Equality Act (2010). Further details are available in the School's Equal Opportunity Policy document.

This policy is available to interested parties in accordance with our statement on the provision of information.

Surbiton High School seeks to implement this policy through adherence to the procedures set out in the rest of this document.

This policy is reviewed annually by Matthew Close or as events or legislation changes require. It is then sent to LGB Members so that they can familiarise themselves with it and monitor its implementation going forwards. The next scheduled date for review is September 2026.

Responsibilities

It is the Principal/Heads of Surbiton High Girls' and Boys' Preparatory Schools' responsibility to ensure that all relevant staff are aware of this policy, to ensure relevant staff are aware of their responsibilities, what is expected and the procedures to follow and to ensure that the policy is reviewed on a timely basis. It is the responsibility of all staff to read the policy and act at all times according to its guidance.

It is the responsibility of parents to ensure they provide correct and updated contact information on an annual basis and know the procedures for handover of the pupil at the beginning and end of sessions.

It is the responsibility of the LGB to ensure that they are aware of the School's procedures and to challenge/support the School in its review of this policy.

Information for parents

All safeguarding policies are reviewed regularly (at least once a year as a minimum) by the School's Local Governing Body in order to satisfy themselves that they are robust and effective. This policy is ratified annually by the United Learning Group Board in conjunction with the School's Safeguarding Policy and Procedures.

SURBITON

HIGH SCHOOL

The School will request from all parents more than one emergency contact for all pupils. These details will be held on iSAMS and available to staff. This is to give the School additional options to contact parents and/or a responsible adult when a child missing education is also identified as a welfare and/or safeguarding concern.

All new staff receive a thorough induction into the importance of effective supervision of all pupils, what to do if a child goes missing and are required to read Part 1 of KCSIE, or Annex A of KCSIE if their role does not require them to work directly with children.

In addition, all pupils and parents will be made aware of:

- The qualifications of our staff and the arrangements for supervising the children whilst they are in School.
- Arrangements when arriving at School and leaving the premises at the end of the day.
- Arrangements for registration in both the morning and the afternoon. Parents are responsible for notifying the School if their child is absent for any reason. The School will always contact the parent if the child fails to arrive at School without an explanation.
- The physical security measures which prevent unsupervised access to, or exit from the building, including onsite supervision of the playground and the physical barriers that separate it from the rest of the School.

Actions to be followed by staff if a child fails to attend first day of School

All new pupils are placed on the School's admission register at the beginning of the first day on which the School has agreed that the pupil will attend the School.

If a child fails to attend on the agreed date, staff must inform Matthew Close, Designated Safeguarding Lead, without delay. The Designated Safeguarding Lead will undertake reasonable enquiries to establish the pupil's whereabouts and will consider notifying the local authority at the earliest opportunity. If the Designated Safeguarding Lead believes the pupil is in immediate danger or at risk of harm, a referral should be made to children's social care (and the police if appropriate) without delay.

Where there are changes affecting the child (including a change of address or school), these will be reflected in the admission register. This will assist the School and external agencies when making enquiries to locate any missing children.

Duty to Report

The School monitors attendance closely and will take action to address poor or irregular attendance. The School will inform the local authority (and the local authority where the child is normally resident) of any pupil who fails to attend School regularly or has been absent without the School's permission for a continuous period of 6 school days or more without permission, in line with local arrangements: [AFC - Children Missing Education](#)

SURBITON

HIGH SCHOOL

Where a pupil has not returned to School for 6 school days after an authorised absence or has been continuously absent without authorisation for a period of not less than 20 school days (and there are no reasonable grounds to believe the pupil is unwell or unable to attend because of any unavoidable cause), and the School and local authority have failed, after jointly making reasonable enquiries, to ascertain where the pupil is, the School may delete the pupil's name from the admission register. The School will inform the local authority of such deletion no later than the time at which the pupil's name is deleted from the register.

The School also recognises its wider reporting duties following deletions from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006, to help identify children who are missing education and/or otherwise at risk of harm.

The School will report to OFSTED within 14 days any incident of a missing EYFS pupil as is required under the Statutory framework for the early years foundation stage (EYFS) for registered providers.

Actions to be followed by staff if a pupil goes missing from the School

The School's procedures are designed to ensure that a missing pupil is found and returned to effective supervision as soon as possible.

If a pupil is found to be missing the School will carry out the following actions without delay:

Senior School Procedures

A pupil may be identified as missing:

- After an absence at morning registration is not confirmed by a parent following a text message alert and a subsequent call to parents
- By teaching staff missing pupils in a class. Pupils are registered within the first ten minutes of a lesson, or by whoever the pupil is with at the time i.e. academic mentor, welfare centre etc.
- By a report of a missing pupil by a fellow pupil
- If a child fails to return home at the end of the School day
- In the Senior School, Reception staff run an iSAMS report each lesson to ascertain which children are absent without reason. Any unexplained absence is followed up with the teacher, Head of Year or SLT as necessary.
- Parents will be contacted if the pupil is not located.

Unexplained morning registration absence

In the case of an unexplained absence during morning registration, a text message asking parents to confirm the reason for a pupil's absence is automatically sent to all parental contacts at 10am, allowing time for parents to contact the School to explain the absence. For any pupil whose absence is not confirmed by 10.30am, the Reception Team will attempt to call the parents to confirm the reason for this absence.

SURBITON

HIGH SCHOOL

One or more unexplained absences throughout a day

Following identification of a pupil missing from one or more periods (including Registration), through the noted methods, the Reception Team/Sixth Form PA will then action the following:

1. Contact the School Nurse/first aiders to check for any known medical emergency or visit to the Welfare Centre
2. Check the Library and Learning Support Department (for Sixth Form the Common Room and Study Area) if appropriate
3. Contact the subject teacher of any timetabled class at which the missing pupil should be present (or should have been present earlier in the day: staff who might previously have taught or tutored the pupil that day)
4. Contact the IT department to 'ping' the pupil's iPad, to check the current whereabouts of the pupil's iPad and pupil phone (if connected to the School Wi-Fi)
5. Contact the Form Tutor, Head of Year and Sixth Form PA (and the Exams Office during exam periods) to assess whether the absence is expected
6. Check with the Music Department for 1:1 lessons taking place during the period of identified absence
7. Check all lists of visits out of School and contact the trip leader if appropriate
8. Check the electronic signing in and out system/signing in and out book in the Sixth Form
9. Make reasonable efforts to check the school site

The Reception Team will then alert the DSL, Safeguarding SLT, and Principal. The Senior Administrator will allocate the above tasks to each member of Reception. The Teams group is utilised to centralise communications. Messages will be sent on the Teams group highlighting to the DSL and Principal to inform that the pupil is still missing if and when necessary. The Principal must be informed in person or by phone/voicemail if absent from School.

If the pupil is still found to be missing, further contact is to be made with the parents to ask for further information. If the pupil is still considered to be missing:

- SLT members initiate and oversee a full search of the site
- IT Department to also check missing pupil's email account, school accounts and iPad for any unusual activity
- SLT to contact the parents to inform them of the missing pupil. If no contact can be made with the parents, the emergency contact must be called. In the unlikely chance that parents cannot be contacted, the SLT must assume the role of the parent. Parents should be asked the following:
 - o To phone the child's mobile (if applicable)
 - o Confirm if they have 'Find my iPhone' or other such location services and have tried to locate their child
 - o If parents are not contactable, school attempt to obtain pupils mobile number through friends.

SURBITON

HIGH SCHOOL

- Once parents have been contacted, they must take responsibility. Our advice would be to phone the police if they are concerned
- SLT to continue working with parents to help find the child

If the above does not prove successful:

- SLT email relevant staff
- SLT advise all teachers due to teach or tutor the pupil later that day that they must immediately inform the office if the pupil appears
- Parents are asked to contact the friends of the missing pupil to see if their child has been in contact or can be traced through social media apps etc.
- On completion of this and any subsequent searches made over the day, parents and SLT will continue to liaise and inform one another of any progress
- At their discretion, the Principal will arrange for the Police to be informed
- Where necessary, an out-of-hours phone number will be provided to the parents and police, if appropriate
- Inform the UL Safeguarding Lead
- The DSL will refer to the local Children Services Department 0208 547 5008 / 0207 770 5000 and the local authority designated officer 07774 332675 to seek advice and agree what actions should be taken and by whom. This may include contacting the police.
- Follow any specific local safeguarding procedures
- The School will co-operate fully with any Police investigation and any safeguarding investigation by the local authority
- The Principal will inform the Head of Independent Schools and Chair of UCST without delay
- Inform the School's insurers
- If the pupil is injured, the School will make a report under RIDDOR to the Health & Safety Executive (HSE).

If the pupil is found, or the incident is otherwise resolved:

- The Principal, parents and SLT are directly informed
- The Police are informed if they have been involved
- A notice cancelling the emergency situation is emailed to all relevant staff
- A written log is made as a MIS pupil contact giving details of the full incident
- Complete the form entitled 'Child failing to return home at the end of the School Day', available on MIS and included in the Appendices

Part 2: Procedures to be followed by staff when a child is not collected on time

Introduction

The School undertakes to look after all pupils safely throughout the time that they remain under our care, until such a time as s/he has been collected by a parent, guardian or carer, or until appropriate alternative care arrangements have been made with Social Care and/or the Police in order to prioritise a pupil's safety.

Initial procedures may vary according to the age and maturity of the pupil and the time of day (see sections below), but under no circumstances will the supervising member of staff go to look for a parent, nor any member of staff take the pupil home.

After making every reasonable attempt to contact the parents (or other nominated carer), and if there is no response from any of the contact or emergency numbers provided to the school, the relevant DSL must be contacted and is responsible for making emergency supervision arrangements for the pupil.
