HIGH SCHOOL

Aims and Ethos

Surbiton High School aims to **inspire, encourage and empower** our young people to discover and embrace their individuality in an intellectually rigorous academic environment. Balanced with outstanding pastoral care, our students become compassionate, respectful, courageous, and inquisitive members of the community, living out the School's motto: *Amor nos semper ducat* (May love always lead us).

Our Values

We are compassionate:

We are kind and we care, in both thought and action. We consider those less fortunate and strive to support and offer aid. We are mindful of the gentle power of positive actions. We support and encourage those around us.

We are respectful:

We respect all people equally. We respect ourselves, our learning, our community, our environment, and the planet we all share. We strive to act with respect and integrity in all things. When we disagree, we do so respectfully.

We are courageous:

When challenged by our fears we are determined, not deterred. We call on resilience for strength when in the heat of the struggle. We bravely chase our dreams and fight for what we believe. When we fall, we pick ourselves up and forge forward.

We are inquisitive:

We understand that a thoughtful question is the key to unlock understanding. We believe where answers provide ends, questions pose exciting beginnings. We are eager to explore, we question to discover, we are curious to learn more of the world at large.

We are a community:

We are united - with a common focus. We value belonging to a wider community: our school community, our local community, our global community. We are inclusive of all, no matter our differences. We value and nurture the connections we form.

We achieve these aims through our *Charter for Happiness and Well-being*. Our pupils:

- **are inspired to deploy their highest strengths to tackle all situations**, developing a growth mind-set and a can-do attitude, equipped with the tools to maximise their positive emotions
- **are encouraged to find their niche**, to be fully engaged in educational activities and to meet the highest challenges that come their way
- **are coached and encouraged to develop strong relationships**, to be empathetic and responsive to the needs of themselves and others
- **are empowered to lead a meaningful life**, to be able to understand what their goals are and to know what they are striving for

SURBITON

HIGH SCHOOL

- **are empowered to draw strength from celebrating their accomplishments**, in order to tackle new challenges

We achieve these aims through our inculcation of *Learning Habits*. Our children:

- **are inspired in their thinking**, to ask questions, to make connections, to imagine possibilities, to reason methodically and to capitalise on their resources
- **are encouraged to be emotionally invested in their learning**, persevering in the face of difficulties, noticing subtle differences and patterns, managing their distractions, and becoming absorbed in their learning
- **are empowered to be fully involved in their learning**, growing in interdependence, collaborating effectively, listening empathetically to others, and imitating their learning habits
- **are inspired, encouraged, and empowered to be productive**, planning their learning in advance, revising and reviewing their progress, distilling important information, and developing their own meta-learning.

United Learning and the United Church Schools' Trust

Surbiton High School is part of *United Learning* and the *United Church Schools' Trust*. The School has an Anglican foundation, valuing its Christian heritage whilst welcoming staff and children from all faiths and none. We share with United Learning its core mission statement "to bring out the best in everyone". We are committed to the aims of United Learning, including its *Framework for Excellence*, which can be found at: www.unitedlearning.org.uk

1 Policy Statement

Surbiton High School aims to bring out the best in everyone: to discover the best in everyone, to expect the best from everyone, and to support everyone to achieve their personal best. This includes:

- providing an intellectually rigorous and challenging academic environment,
- encouraging hard work and commitment and
- a commitment to trustworthiness

All of these are reflected in our NEA policy, which seeks to ensure that we meet all the requirements of the Code of Practice for the conduct of external examinations produced by JCQ. Surbiton High School is committed to ensuring that:

- Whenever teachers assess pupil work for external qualification it is done fairly, consistency and in accordance with the specification for the qualification concerned.

SURBITON

HIGH SCHOOL

- Appropriate NEA guidance is available to staff, pupils and parents and is in line with Examination Board rules and regulations.
- Assessments are conducted by staff who have the appropriate knowledge, understanding and skills and who have been trained in this activity.
- Assessment evidence provided by candidates is produced and authenticated according to the requirements of the relevant specifications for each subject as supplied by the awarding bodies.
- The consistency of Assessment is assured through internal standardisation as set out by the Awarding Bodies' specification documents.
- Staff responsible for internal standardisation and/or assessment attend the compulsory training sessions provided by the relevant Awarding Body for each subject.
- Appeals against the procedure used in arriving at internal assessment decisions are dealt with according to the procedures for appeals contained in the Internal Examinations Appeal Policy. These are in line with the relevant code of practice for the conduct of external qualifications produced by QCA.

NEA are internal assessments. NEA has replaced controlled assessment in GCSEs and coursework in GCEs.

Definition: NEA is designed to assess skills which are not effectively measured by external exams. It retains many features of coursework / controlled assessment while ensuring that the work submitted is the students' own and that internal assessments are more manageable for teachers and students.

Whilst the general rules are the same for all the GCSEs and A Levels, the specific requirements for NEA are different for each subject. Information for teachers is provided in the specifications provided by the examination boards.

This policy should be read in conjunction with the following documents:

- Assessment, Recording and Reporting Policy
- Internal Assessment Appeals Procedure (appendix 1)
- JCQ Instructions for conducting non-examination assessments

Surbiton High School seeks to implement this policy through adherence to the procedures set out in the rest of this document.

This policy applies to all members of our School community.

SURBITON

HIGH SCHOOL

Surbiton High School is fully committed to ensuring that the application of this NEA policy is non-discriminatory in line with the UK Equality Act (2010). Further details are available in the school's Equal Opportunity Policy document.

Surbiton High School seeks to implement this policy through adherence to the procedures set out in the rest of this document.

This document is available to all interested parties on the United Hub and MIS, and on request from the Principal's office.

This document is reviewed annually by the Vice Principal Academic and Head of Exams, or as events or legislation change requires. The next scheduled date for review is October 2023.

Appendix 1 Appeals against internal assessment decisions (centre assessed marks)

Policy Statement

This procedure confirms Surbiton High School compliance with JCQ’s *General Regulations for Approved Centres 2019-2020, section 5.8* that the centre has in place “a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates” and that the centre “must inform candidates of their centre assessed marks as a candidate is allowed to request a review of the centre’s marking before marks are submitted to the awarding body.”

Certain components of GCSE and A Level qualifications that contribute to the final grade of the qualification are internally assessed (marked) by the subject teacher. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

Surbiton High School is committed to ensuring that whenever its staff mark candidates’ work this is done fairly, consistently and in accordance with the awarding body’s specification and subject-specific associated documents.

An internally assessed component is a requirement for the following GCSE and GCE subjects examined at Surbiton High School (Centre no. 14427).

GCSE	A Level
Art	Art
Dance	Computer Science
DT	DT
Music	English Literature
PE	English Language
	Extended Project
	Geography
	History
	Music
	PE

SURBITON

HIGH SCHOOL

Surbiton High School ensures that all centre staff follow the *NEA (Non-examination assessment) policy* for the management of GCE and GCSE non-examination assessments. This policy details all procedures relating to non-examination assessments, including the marking and quality assurance processes which relevant teaching staff are required to follow.

Procedures

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Surbiton High School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of her work, or that the assessor has not properly applied the mark scheme to her marking, then she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

1. At the beginning of the GCSE and A Level courses, all candidates will be informed of the NEA appeals process. All information required can be found on the school website.
2. Surbiton High School will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
3. Surbiton High School will inform candidates that they may request copies of materials (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment.
4. Surbiton High School will, having received a request for copies of materials, promptly make them available to the candidate within 2 calendar days.
5. Requests for reviews of marking **must** be made in writing within 2 calendar days of receiving copies of the requested materials by completing the **internal appeals form**.

SURBITON

HIGH SCHOOL

6. Surbiton High School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
7. Surbiton High School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
8. The candidate will be informed in writing of the outcome of the review of the centre's marking.
9. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Surbiton High School and is not covered by this procedure.

Appeals against the centre's decision not to support a clerical check, a review of marking, a review of moderation or an appeal

This procedure confirms Surbiton High School compliance with JCQ's *General Regulations for Approved Centres 2019-2020, section 5.14* that the centre has in place "a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical check, a review of marking, a review of moderation or an appeal..."

Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams officer.

Candidates are also informed of the arrangements for post-results services **before** they sit any exams and the accessibility of senior members of centre staff immediately after the publication of results by letter in June.

If the centre or a candidate (or parent/carer) has a concern and believes a result may not be accurate, an enquiry about the result may be requested.

SURBITON

HIGH SCHOOL

Review of Marking (RoM) offers three services.

- Service 1 – clerical re-check
- Service 2 – review of marking
- Service 3 – review of moderation (this service is not available to an individual candidate)

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for an ROM service 1 or 2 is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. Candidate consent can only be collected after the publication of results.

Where the centre does not uphold a request from a candidate and the candidate (or her parent/carer) believes there is grounds to appeal against the centre's decision not to support an enquiry, an internal appeal can be submitted to the centre– by completing the internal appeals form at least 7 calendar days prior to the internal deadline for submitting a review of marking.

The appellant will be informed of the outcome of her appeal before the internal deadline for submitting a review of marking.

Following the review of marking outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications *Post-Results Services* and *JCQ Appeals Booklet (A guide to the awarding bodies' appeals processes)* will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the review of marking outcome, but the candidate (or her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the *JCQ Appeals Booklet*. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within 7 calendar days of the notification of the outcome of the review of marking. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of receiving the outcome of the enquiry about results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee (minus an admin fee of £6) will be refunded by the awarding body and repaid to the appellant by the centre.
