1 Surbiton High School: Ethos and Aims

Ethos

- We are a vibrant learning community, which **inspires** every child to discover and embrace their individuality, to grow in their intellectual curiosity, and to enjoy their independence
- We acknowledge that there is no such thing as a typical Surbiton High School pupil and that impressive academic results are just one aspect in our rich tapestry of educational provision; therefore, we **encourage** every child to grow in compassion, respect and an outward looking attitude, living out the School's motto: *Amor nos semper ducat (May love always lead us)*
- We **empower** every child to thrive, developing social and emotional intelligence to become rounded and grounded in their character, demonstrating kindness and service to others

Aims

- Surbiton High School aims to **inspire, encourage and empower** our young people to discover and liberate the very best of themselves, exceeding their potential in an intellectually rigorous and challenging academic environment, balanced with outstanding pastoral care and support

We achieve these aims through our *Charter for Happiness and Well-being*. Our children:

- are **inspired** to deploy their highest strengths to tackle all situations, developing a growth mind-set and a can-do attitude, equipped with the tools to maximise their positive emotions
- are **encouraged** to find their niche, to be fully engaged in educational activities and to meet the highest challenges that come their way
- are coached and **encouraged** to develop strong relationships, to be empathetic and responsive to the needs of themselves and others
- are **empowered** to lead a meaningful life, to be able to understand what their goals are and to know what they are striving for
- are **empowered** to draw strength from celebrating their accomplishments, in order to tackle new challenges

We achieve these aims through our inculcation of *Learning Habits*. Our children:

- are **inspired** in their thinking, to ask questions, to make connections, to imagine possibilities, to reason methodically and to capitalise on their resources
- are **encouraged** to be emotionally invested in their learning, persevering in the face of difficulties, noticing subtle differences and patterns, managing their distractions, and becoming absorbed in their learning
- are **empowered** to be fully involved in their learning, growing in interdependence, collaborating effectively, listening empathetically to others, and imitating their learning habits
