2 Policy Statement

Surbiton High School is a friendly and vibrant community where individuals thrive and feel happy, secure, confident and valued. Our approach combines an intellectually rigorous and challenging academic environment with outstanding pastoral care and support. This policy particularly supports the following aims of the School:

- Ensuring relationships are based on mutual respect.
- Encouraging hard work and commitment.
- Preparing pupils for their subsequent education and their future lives.

Surbiton High School is committed to ensuring pupils are safe and appropriately supervised both in School and during School activities or educational visits. The School is committed to ensuring that:

- Pupil supervision and security always forms part of the Risk Assessment for any activity on or off the School site.
- Supervision of pupils takes into account the age, maturity, needs and numbers of pupils as well as the location and type of activities in which they are engaged
- Staff ratios for supervision are within government guidelines at all times that pupils are involved in School activities on the School premises, or attending educational visits offsite
- Supervision of pupils in remote locations is secure and is in line with the guidelines set out in United Learning's Health and Safety Policy document.
- Appropriate staff duty rotas are in place which demonstrate levels of staff supervision which are appropriate in terms of numbers and staff competence in view of the pupils and the area involved

SURBITON

HIGH SCHOOL

- Where senior pupils have supervisory responsibility for other pupils there is always a member of staff readily available and in overall charge
- Mandatory staffing ratios for EYFS provision are enforced

All activities and lessons which take place upon the School site are formally risk assessed and this is recorded by means of common pro-forma (see Appendix); these pro-formas are updated annually to reflect any changes in working practice. All on-site risk assessments are filed electronically by the Assistant Principal (Compliance, Health and Safety). Staffing ratios for lessons and activities on-site including Reception classes (EYFS) are well within tolerance of one teacher for every thirty pupils. EYFS staffing ratios at Surbiton Girls' and Boys' Prep Schools are much lower.

Provision for before and after-school care (Breakfast Club and After School Club) is risk assessed and staffing ratios are also included. Breakfast Club and After School Club staffing ratios are 1:8. At any one time, there is at least one member of staff on duty holding a full and relevant Level 3 qualification. Procedures relating to supervision of pupils at break and lunchtimes can be found below.

This policy applies to all members of our School community, including those in our EYFS setting. Surbiton High School ensures that the mandatory staffing ratios for EYFS are implemented as detailed in the EYFS documentation.

Surbiton High School seeks to implement this policy through adherence to the procedures set out in the rest of this document.

Surbiton High School is fully committed to ensuring that the application of this supervision policy is non-discriminatory in line with the UK Equality Act (2010).

In line with our Provision of Information Policy, this document is available to all interested parties on request from the Principal's office and should be read in conjunction with the following documents:

- Attendance
- Risk
- Educational Visits and Activities Off Site
- Group Health and Safety Policy

This document is reviewed annually by Charlotte Demetz, Assistant Principal (Compliance, Health and Safety), or as events or legislation require. This policy is sent to LGB Members so that they can familiarise themselves with it and monitor its implementation going forwards. The next scheduled date for review is September 2022.
