'Who Am I?'

Through Creative Writing

Presented by Mr Bird, Writer in Residence | Normal running time: approx. 45 minutes

A creative workshop that dares to inspire the imaginative mind and carves an irresistible trail of discovery to finding one possible, poetic answer to the question, 'Who am I?'

No experience required. No love of poetry necessary. We work through the whole process together, one dazzling step at a time.

All pupils require five things: imagination, a thirst for discovery, enthusiasm for fun, a pencil and a smile.
