Bursary Awards are made on the basis that the parents will make a full and sufficient disclosure of their means, supported by all necessary documentary evidence and keep the School informed of any material changes to their circumstances. Bursaries are reviewed every year and parents will be asked to submit an updated application form as part of that process. Parents are asked to inform United Learning, should their financial circumstances change. Withdrawal of the Award shall take effect from the start of the following term. Further, the Award may be withdrawn by written notice if the balance of the account remains unpaid 28 days after a written reminder has been sent to the parents.
6. Repayment events: Parents shall be required forthwith upon written notice to repay all or part of the benefits they have received under the Award in any of the following circumstances:
 - a. up to three terms' benefits (if received) if the pupil has engaged in serious misconduct or has been expelled or removed for reasons of misconduct by the requirement of the Head acting in good faith;
 - b. up to three terms' benefits (if received) in a case of the pupil being withdrawn for any reason during a school term without a term's written notice having been given.
7. Fees in lieu of notice: For the avoidance of doubt, the benefits payable under an Award do not apply to any term for which the School has required payment of fees in lieu of notice.
8. Standard Terms and Conditions: These Conditions of Award take precedence over any of the School's Standard Terms and Conditions which are inconsistent with them, but in all other respects the standard terms and conditions as amended from time to time shall apply and these Conditions of Award shall be interpreted in accordance with them.
