

Aims and Ethos

Policy Statement

Surbiton High School aims to **inspire, encourage and empower** all its students to discover and embrace their individual talents, within United Learning's core mission to bring out "the best in everyone". We combine an intellectually rigorous academic environment with outstanding pastoral care and outstanding co-curricular opportunities; through this provision, we encourage our students to live out our **School values**, and become compassionate, respectful, courageous, and inquisitive members of the community.

Our Values

We are compassionate:

We are kind and we care, in both thought and action. We consider those less fortunate and strive to support and offer aid. We are mindful of the gentle power of positive actions. We support and encourage those around us, living out the School's motto: *Amor nos semper ducat* (May love always lead us).

We are respectful:

We respect all people equally. We respect ourselves, our learning, our community, our environment, and the planet we all share. We strive to act with respect and integrity in all things. When we disagree, we do so respectfully.

We are courageous:

When challenged by our fears we are determined, not deterred. We call on resilience for strength when in the heat of the struggle. We bravely chase our dreams and fight for what we believe. When we fall, we pick ourselves up and forge forward.

We are inquisitive:

We understand that a thoughtful question is the key to unlock understanding. We believe where answers provide ends, questions pose exciting beginnings. We are eager to explore, we question to discover, we are curious to learn more of the world at large.

We are a community:

We are united - with a common focus. We value belonging to a wider community: our school community, our local community, our global community. We are inclusive of all, no matter our differences. We value and nurture the connections we form.
