

GIRLS' PREP

PARENT HANDBOOK **2026-2027**

KEY STAGE 1 AND 2

WELCOME FROM THE HEAD

many workshops and opportunities for you to learn more about our approach to teaching, enabling you to knowledgeably support your daughter.

Enriching our curriculum further, specialist teaching is introduced in subjects such as Music, Sport, and Languages, alongside exciting opportunities such as Forest School. We are proud of our outdoor learning programme and this experience provides a wealth of opportunities for the girls to develop resilience, teamwork and independence while building a deep and lasting connection with the natural world. Whether learning in the classroom or outdoors, our girls are encouraged to ask questions, solve problems, and take pride in their growing achievements within a caring and inspiring community.

The move to **Key Stage 2** brings exciting new learning and challenges which deepen knowledge, hone critical thinking, and foster leadership and collaboration. The girls enjoy this stage immensely as we seek to expand their horizons and widen their knowledge and experience. Our rich and broad curriculum is ambitious and carefully designed to challenge the girls at their individual level, creating the right environment for them to achieve their potential. As they move through this stage, they are encouraged to take increasing

responsibility for their own progress. The girls make excellent academic progress which is enriched by specialist teaching and a vibrant co-curricular programme. Always mindful of the world we are preparing the girls to live in successfully, our core values of compassion, respect, courage, inquisitiveness and community, are embedded in all that we do.

This stage is also a time of tremendous growth, socially and emotionally. Our warm and inclusive community is designed to support your daughter as she develops her voice, builds resilience, and finds her individual passion. We are proud of our pastoral care and dedicated staff who ensure that every girl feels seen, heard and valued. Well-being is at the heart of our School and every member of the community understands the role they play in creating and maintaining our kind and inclusive environment. Sport and healthy living also become an increased focus during this stage, promoting physical and mental well-being. Whether enjoying learning outdoors or playing as a team on the sports field, our girls develop an understanding of the importance and benefits of an active and healthy lifestyle.

As your daughter moves through this stage, it also becomes a time of preparation and readiness for their move to the Senior School.

Working closely with you and our colleagues in the senior years of the School, we ensure that when the time comes to move into Year 7, the girls feel well equipped and excited for the next steps in their education. We feel a great sense of pride in the role that we play in every girl's unique journey, preparing them for life beyond the classroom. Our girls leave us as confident, compassionate, curious and courageous young people, ready for the next challenge. ■

Mrs Paula McIntyre
Head of Surbiton High Girls' Prep School

As we welcome your daughter into **Key Stage 1**, we continue to build on the strong foundations laid in the Early Years while supporting her through the gentle step up to more formal learning. Maintaining our child-centred approach that values each girl as an individual, our dedicated team focuses on creating a smooth transition ensuring that these formative years continue to be filled with curiosity and discovery. Our nurturing environment allows every girl to flourish at her own pace, with a continued emphasis on confidence, creativity, and exploration. At this stage, much remains familiar in our approach to phonics, reading and maths, and there are

AIMS AND ETHOS

Compassionate

Courageous

Inquisitive

Respectful

Community

aid. We are mindful of the gentle power of positive actions. We support and encourage those around us.

We are respectful

We respect all people equally. We respect ourselves, our learning, our community, our environment, and the planet we all share. We strive to act with respect and integrity in all things. When we disagree, we do so respectfully.

We are courageous

When challenged by our fears we are determined, not deterred. We call on resilience for strength when in the heat of the struggle. We bravely chase our dreams and fight for what we believe. When we fall, we pick ourselves up and forge forward.

We are inquisitive

We understand that a thoughtful question is the key to unlock understanding. We believe where answers provide ends, questions pose exciting beginnings. We are eager to explore, we question to discover, we are curious to learn more of the world at large.

We are a community

We are united - with a common focus. We value belonging to a wider community: our school community, our local community, our global community. We are inclusive of all, no matter our differences. We value and nurture the connections we form. ■

Surbiton High School aims to inspire our young people to discover and embrace their individuality in an intellectually rigorous academic environment. Balanced with outstanding pastoral care, our pupils become compassionate, respectful, courageous, and inquisitive members of the community, living out the School's motto: *Amor nos semper ducat* (May love always lead us).

We achieve these aims through our focus on well-being (pages 12-15) and learning powers (pages 16-17).

OUR VALUES

We are compassionate

We are kind and we care, in both thought and action. We consider those less fortunate and strive to support and offer

WELL-BEING

In line with our whole-school ethos and motto, 'May Love Always Lead Us', we believe that education of the heart is as important as education of the brain. Consequently, we look to develop specific values within our girls, to assist with their development as learners as well as citizens within our communities. In line with our School, we encourage our girls to reflect upon the values of being compassionate, respectful, courageous, inquisitive and showing community spirit. When our girls demonstrate any of these values, they are given a leaf with their name on, which is then added to our Values Tree. As the values grow within the School, so too does our tree; a symbol of the flourishing community that we promote in every aspect of school life.

May love
always
lead us

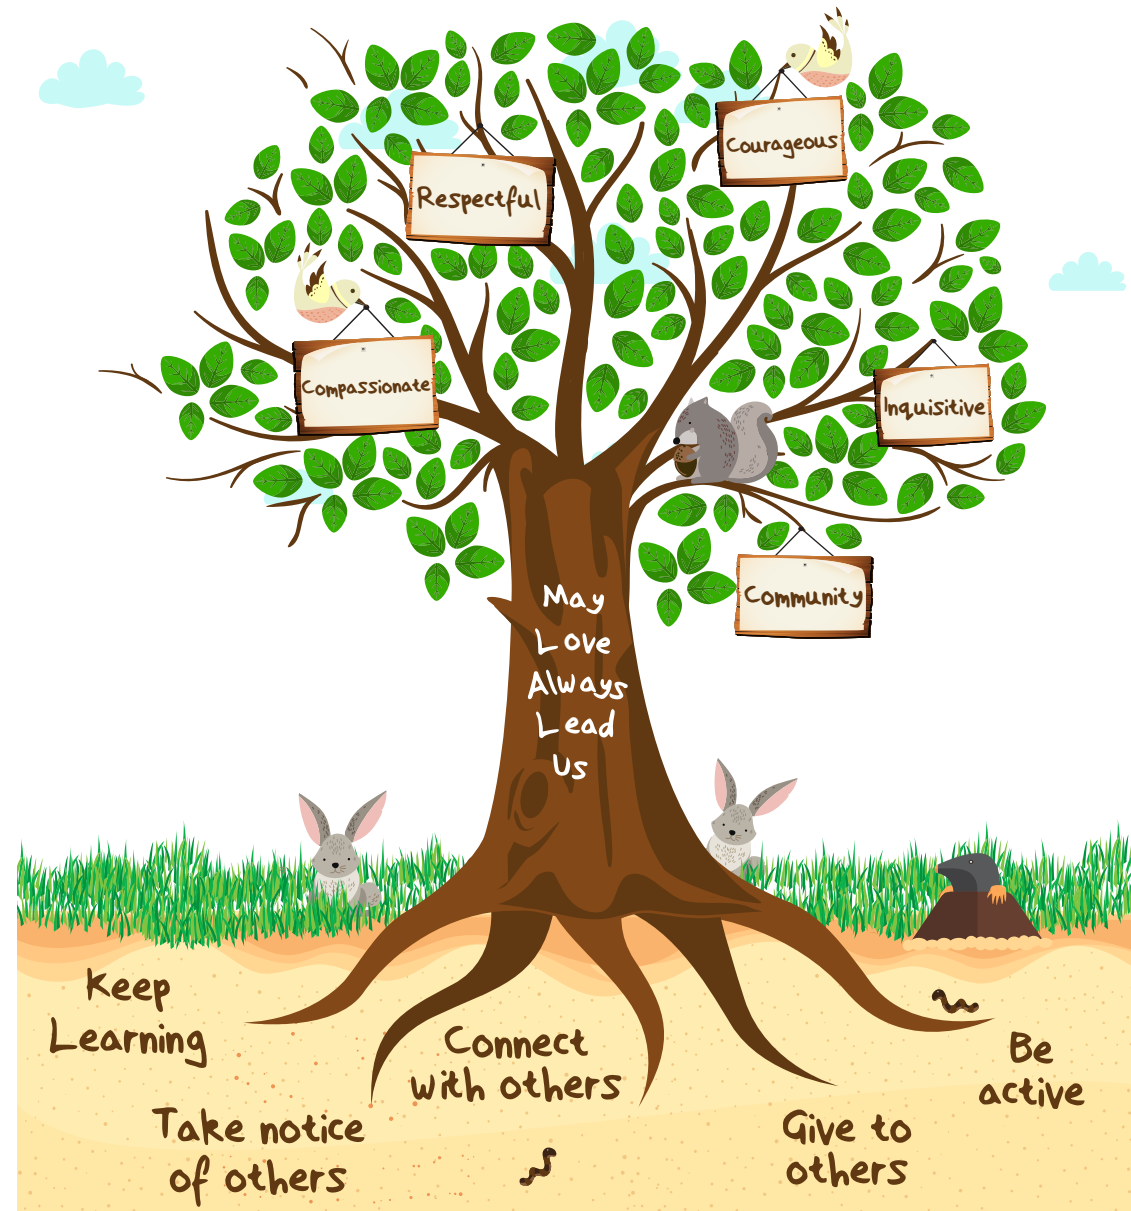

Daily life at the Girls' Prep School fosters learning for understanding, positive participation and fun. We recognise that happiness is key, but so too are the needs of the girls to be fully engaged with their learning, to connect with each other, to take notice, to give and to be active. We know that alongside good learning habits, we must teach our girls good well-being habits for them to flourish with us and beyond. This is why we put your daughter's well-being at the heart of it all. We will of course use our experience to challenge and set

high expectations of them, but are always mindful of the need to balance challenge with nurture.

Every week, your daughter will have timetabled PSHCE lessons (PSED in Reception) alongside time with her Form Teacher, assemblies, specific trips and workshops. These times are dedicated to developing fully-rounded girls who are healthy, sociable and emotionally literate; in other words, girls who understand good health and well-being, the benefits of positive relationships and the responsibilities we have for living in our wider world. At Surbiton High Girls' Preparatory School, we have high expectations of the girls, both in their attitude towards learning and in their behaviour, but we always do this with a mindful and encouraging hand.

Every girl in the School belongs to a House – this will be either Arundel, Balmoral or Caernarvon. Under the leadership of staff and democratically nominated Year 6 House Captains, assemblies and House activities will serve to build friendships and cohesion vertically through the School between year groups. Events in the past have included singing and quiz competitions; House motto and crest development; and the highly competitive hockey, netball and Sports Day

Our Values Tree

competitions. On an individual basis, girls are awarded House points for effort in their work, and their personal achievements are recognised by gaining bronze, silver, gold and platinum House awards for attaining 25, 50, 75 and 100 House points respectively, which are shared in our weekly Celebration Assembly, alongside any other achievements that the girls may receive. We also welcome the opportunity to hear about the girls' achievements in activities that they complete outside of School, and we encourage them to share these with their Form Teachers so we can celebrate their successes with them.

At the end of every half term, your daughter's Form Teacher will award a certificate for the girl who is considered to have improved the most in any aspect of her development in School. They are treated to a special snack and celebratory drink with the Headteacher before their efforts are publicly recognised in our end-of-term assemblies.

As the girls move through the School, we offer an increasingly wide range of activities designed to develop their self-confidence and self-belief. We do this through the multitude of curricular and co-curricular activities on offer. Your daughter will be encouraged to become independent as well as given opportunities for leadership; positions range from being a Form Captain to Eco-Friend to Playground Buddy. In Year 6, every girl is invited to apply for positions

of responsibility ranging from leading the Pupil Leadership Team to Librarian to Music and Games Captains. At the same time, we seek to appoint girls to the Head Girl and Prefect Teams who uphold the values and ethos of Surbiton High School, acting as ambassadors and role models to our school community.

In KS2, your daughter will partake in Mentoring, unique to Surbiton High School. These are timetabled, small group sessions where the girls meet with one of our staff members with the sole overarching aim

Your daughters are the citizens of tomorrow

of promoting positive mental well-being. We recognise the importance of the girls taking time to reflect and to discuss their learning and development as a means to fostering and deepening their social and emotional intelligence. We aim for our girls to be increasingly aware

of themselves and others; developing a strong moral compass to make rational, thoughtful decisions, a confident sense of creativity for problem solving, and an innate ability to be empathetic and respectful. Your daughters are the citizens of tomorrow and these sessions are part of the toolkit that allow us to tailor their development, ensuring that they are best prepared for their next steps. ■

THE LEARNING POWERS WHEEL

At Surbiton High School, we believe every child has the potential to be a dynamic, independent learner. Our aim is to inspire our pupils to develop a deep curiosity about the world, strong academic knowledge, and the confidence to thrive in a complex and ever-changing future.

Our tailored approach to learning recognises that every girl is unique. Rather than following a “one-size-fits-all” model, we provide opportunities for each pupil to explore her individual interests and develop her personal strengths. Our pupils flourish academically because they feel confident, motivated, and fully engaged in their learning journey.

Today’s pupils will enter the world of work in the 2030s and 2040s, likely taking on careers that do not yet exist. At Surbiton High, we prepare our girls not just to succeed at School, but to thrive in whatever future lies ahead.

We want each child to leave our School with:

- A well-rounded academic foundation built on academic rigour.
- A strong set of learning behaviours.
- A deep love of learning that lasts a lifetime.

To enable this, we use a framework called **Learning Powers** to help our pupils understand how they learn best—not just what they learn.

Based on the work of educational researchers, Graham Powell and Guy Claxton, this framework focuses on four key areas: Attitudes, Strategies, Thinking and Relationships.

From Reception to Year 6, your daughter will explore and reflect on the following eight Learning Powers:

- **Resilience** – Bouncing back when things are tricky, applying effort, demonstrating a growth mindset, taking a risk.
- **Focus** – Staying absorbed and blocking out distractions.
- **Curiosity** – Asking questions and wanting to know more, enjoying discovery, having inspirational ideas.
- **Collaboration** – Learning with and from others, actively listening, displaying empathy, forming supportive relationships.
- **Resourcefulness** – Making good use of what is around, making links, applying prior knowledge. ■

LEARNING SUPPORT

As part of the regular monitoring and screening of all pupils throughout the year, specific concerns about an individual's progress may be highlighted. If this is the case, then an assessment will be administered by a member of the Learning Support Department. Depending on the outcome, and after consultation with the Form Teacher and you as parents, extra support in the form of one-to-one lessons or small groups may be recommended. There is a small cost for this

extra support that will be discussed with you and added to your termly bill.

For pupils whose first language is not English, the EAL Department assesses their language skills to determine whether EAL support is needed to enable them to fully access the curriculum. If a pupil requires additional support at School, and following consultation with the class teacher and yourselves, then customised lessons can be provided, for which there is a small additional cost. ■

YEARS 3-6 STATIONERY REQUIREMENTS

One simple, named pencil case similar to the one pictured below:

We recommend the use of pencil cases of the size stated so that 30cm rulers can be stored and kept safe. A pencil case is a vital part of pupils' everyday toolkit. It should only contain the following essential items:

- HB pencils (at least 3)
- Sharpener
- Plain rubber
- Glue stick
- Scissors
- Coloured pencils (6 maximum)
- Coloured highlighters (2 maximum)
- Fine liners (4 maximum)
- 30cm clear, rigid, plastic ruler
- In-ear headphones with microphone (Similar to the ones that come with an iPhone)
- Stylus for use on an iPad (optional)

Key Stage 2:

- In addition to writing pencils, your daughter will need a blue ink fountain pen (with spare cartridges) or a Berol Handwriting pen.
- They will also need a protective A4 folder to put letters and homework in.

Your daughter will be moving around School between classes. In order to facilitate this and to reduce the amount of lost stationery, please stick to the recommendations above.

Please make sure everything in the pencil case is clearly named.

HEALTH

Medical Information

Surbiton High School has a Welfare Centre on the Senior School site, which is staffed throughout the week by our Registered School Nurses. In addition, there are many first aid trained staff on each school site.

If your daughter becomes unwell, we may need to contact you; therefore, please ensure that your contact details, including emergency contacts, are kept up to date.

If a Nurse feels that your child requires hospital treatment as a result of illness or accident, a member of staff will accompany them to hospital and stay with your child until you arrive.

IT IS THE RESPONSIBILITY OF PARENTS:

- To ensure that their child is well enough to attend School. A child who has a raised temperature or is suffering from pain or discomfort severe enough to require the use of medication should be deemed unfit for School.
- To provide full details of any medical condition affecting their child and any medication required. Parents should complete a medical questionnaire from the School.
- To keep the School informed in writing of any changes to their child's health or medication.

- To ensure that any medications kept in School are replenished before their expiry date.
- In the case of vomiting or diarrhoea, to ensure that their child returns to School no sooner than 48 hours from when their symptoms ceased.

IT IS THE RESPONSIBILITY OF SURBITON HIGH SCHOOL:

- To safeguard the pupils in our care during the school day.
- To ensure that all medications are stored securely and administered appropriately.

Emergency Medications

Emergency medications, including autoinjectors, asthma inhalers and insulin pens, will always be administered. These need to be easily accessible and are stored in the Medical Room. Pupils who are at risk of suffering a severe allergic reaction and have been prescribed an auto-injector are required to have two in School.

Regular/Occasional Medication

Only prescribed medication will be administered on a regular basis. Antibiotics and antihistamine preparations do not usually need to be taken during the school day. Antibiotics can usually be given before School and immediately on return home without minimising their effect. Parents are requested to ask their doctor to consider the school day and prescribe accordingly when possible (i.e. an antibiotic day is 24 hours; therefore, three times daily is eight hourly). Antihistamines are most effective when taken as a once-a-day dose in the morning. If any medication is necessary, it will be administered by designated staff in the Girls' Prep School. The medicines should be given to a member of the Girls' Prep School Admin Team on arrival in School. Medication must be in the original packaging with the pharmacy label clearly visible, complete with written instructions detailing side effects and expiry date. This should be placed in a plastic box with your child's name clearly written, along with a completed and signed medicines consent form. Medication will need to be collected at the end of each day, and returned the following morning. Please be aware that there is no legal or contractual obligation on teaching or administration staff to either administer medication or supervise a pupil taking it. Medication can also be administered by parents/carers on site. ■

USEFUL INFORMATION

Times of the School Day

ARRIVAL - The gates at the Girls' Prep School open at 8.00am. Registration is at 8.20am and lessons will start at 8.40am. If your daughter arrives at School later than 8.20am, she should be taken into School via the front door and report her attendance to a member of the Admin Staff.

DEPARTURE - Reception and Key Stage 1 pupils finish School at 3.15pm and Key Stage 2 pupils finish School at 3.45pm. Girls should be collected from the magic playground or via the 'kiss and drop' drive through (access via turning right from Fassett Road). A Controlled Parking Zone operates in the area around the School. There are a large number of meters available at a small charge for 15 minutes' parking. Patrolling traffic wardens are unsympathetic to those who do not conform to the parking restrictions outside the School.

School Administration Team

The School Administration Team consists of Mrs Caroline Blight, Mrs Kathleen Farr, Mrs Karen Penny and Miss Weixin How. Please contact any member of the Administration Team if you have any questions or concerns before your daughter joins us in September, or Mrs Blight if you wish to make an appointment with the Head. The direct telephone line and email to the Girls' Prep School are: Tel: 0208 546 9756
Email: girlsprep@surbitonhigh.com

My School Portal (MSP)

Once your daughter has started at Surbiton High Girls' Preparatory School, you will have access to MSP by visiting surbiton-high-school.myschoolportal.co.uk/login or you can use the link in the Parents' Area on our website surbitonhigh.com/parents-area. You will be able to see your daughter's attendance, timetable, rewards/sanctions and other information. The system allows us to communicate with you via our Weekly Parent Communication update, which is sent every Friday. You may also receive text messages from School when urgent information (such as the late return of a trip) needs to be sent to you.

School News

School news is regularly updated via the school website (www.surbitonhigh.com) and our various social media sites, such as Instagram ([@asurbitonhighgirlsprep](https://www.instagram.com/asurbitonhighgirlsprep)). This gives you a small glimpse into our day at Surbiton High Girls' Prep School. Please check the school calendar on MSP for up-to-date information on events.

Personal Data

Surbiton High School and United Church Schools Trust (UCST) collect, create and hold personal information relating to our pupils, parents and carers. This data is used for a variety of purposes in relation to our provision of education services, including monitoring pupils' progress and achievement and to safeguard pupils'

welfare. We take our responsibilities under Data Protection laws very seriously and demand the same commitment from any company engaged to gather or process data on our behalf. Further detail is set out in our Privacy Notice available on the school website: www.surbitonhigh.com/data-protection. In order to ensure that the information we hold about you and your family is up to date, particularly in respect of telephone numbers, email and postal addresses, please go to your account settings in MSP.

Absence

Whilst we discourage absence due to medical appointments, we understand that in some circumstances this is unavoidable. Please note that family holidays during term time will not be an authorised absence, as school term dates are published well in advance. If your daughter is taken ill during the school day and needs to go home, you will be contacted immediately. For

this reason, please can we ask parents to ensure that their contact details, including emergency contacts, are reviewed regularly and kept up-to-date. If a pupil is absent due to illness, their parent(s) are required to contact the School via telephone or email before 8.20am on the day of their absence and every day thereafter until they return to School. If a pupil's absence is likely to be prolonged, parents are asked to inform the Head, Mrs McIntyre, so that appropriate measures can be taken.

Weather Disruption

If local conditions are very bad and police authorities advise against travelling, do not send your child to School. Our School alert enables us to contact you via text or email to provide appropriate updates. If a problem arises during the day, we may have to decide to end lessons early, in order for the boys to avoid worsening conditions. We will once again contact you via text alert. The School will remain open until all pupils are collected.

Late Collection of Children

Parents are requested to collect their children promptly at the end of the day. However, should any parents be delayed while en route to collect a child from School, we ask, as a matter of urgency, that parents phone the School. We advise all families to enrol their children with the Breakfast and After School Club, as you never know when you may need it. ▶

Wrap Around Care

Breakfast and After School Club is available exclusively for our Prep School parents, available throughout the term, at an additional cost, which is based at the Assembly Rooms. Additionally, our Holiday Camp is open during the holidays. Bookings are made online via SchoolsBuddy.

BREAKFAST CLUB - Breakfast Club is available from 7.30am and includes a nutritious breakfast (this includes a choice of cereal/porridge, yoghurt, fruit juice and toast). The team will take your daughter to School for the start of the school day.

AFTER SCHOOL CLUB - After School Club includes a quiet, supervised school study area which is available from the end of your daughter's school day until 6.00pm. A healthy, freshly made snack including fruit and vegetables is provided. During the winter months a hot snack is also available. You will have received further details on fees and registration from the Admissions Department, but please email afterschoolclub@surbitonhigh.com for any further information. Childcare Vouchers are accepted towards payment and there is an initial registration charge.

HOLIDAY CAMP - Holiday Camp is organised and led by Prep School staff. It includes a variety of activities from sports skills to creative sessions, practical life lessons and more. It includes provision between the hours of 8.00am to 6.00pm and uses a number of our school facilities including Hinchley Wood, Oaken Lane and Forest School. Childcare Vouchers are accepted.

For payment, please email prepholidaycamp@surbitonhigh.com for further information.

Co-Curricular

Please follow the [link](#) to learn about our extensive co-curricular programme. The sign up for these activities is made online using SchoolsBuddy. For further information please email surbitonprepclubs@surbitonhigh.com.

Lunch

All children stay for school lunch, which is served in the Runcie Hall at the Girls' Prep School. The weekly sample menus are available on the school website. School meal times are a time for children to interact socially and we place great importance on table manners. Please notify the School Office, Nurse and your daughter's Form Teacher if there are any allergies which we need to be aware of.

Mid-Morning Snack

We operate a healthy eating policy at The Girls' Preparatory School. Small sandwiches with a protein filling, pieces of fresh fruit or vegetables, e.g. carrot sticks, hard cheese, smoothie, rice cake or a nut-free muesli bar, may be brought in to eat. The girls should also bring a named bottle of water to drink during the day. Please refer to the school's snack policy for full details.

Nuts

We have an increasing number of pupils in School with severe nut allergies. In order to avoid a potentially serious situation, all

nut products have been removed from the lunch menu, on medical advice. Pupils are therefore not allowed to bring any products containing nuts into School. Please ensure that this policy is respected.

Sport

Sport is an important part of the curriculum at the Girls' Preparatory School and each

year group is taught by a team of specialist PE Teachers to ensure the girls learn and develop skills in a wide variety of sports accurately. Games lessons are held at our Hinchley Wood or Oaken Lane facilities, as well as Surbiton Hockey Club, which are a short bus journey away, and PE is held on-site either in the Runcie Hall or outside in the playground or on the astro. Swimming is also on the curriculum for our Year 1 pupils, held weekly at the Excel Leisure

Centre in Walton, and Reception enjoy a swimming taster session in the Summer Term to familiarise themselves with the staff and facility ahead of time.

The girls wear their PE uniform to School on days when they have sport in their timetable and generally, we still go ahead with a lesson in light rain conditions or if it is a short shower. Therefore, we ask all pupils to have their PE waterproof or coat with them for Games. On days where your daughter has sport as a co-curricular club (but not as a timetabled lesson), she should wear her school uniform and will be given time to change either at the end of lunch or the end of the day before dismissal.

Our expectation is that if your daughter is well enough to be in School, she is well enough to take part in all sports lessons. Alternative tasks/activities can be provided where applicable, but only if you are able to provide us with a note from the doctor recommending that your daughter does not take part (especially regarding long term injuries/recovery).

Fixtures are organised as often as we can during Games lessons, and the PE Department put a great deal of effort into selection to slot pupils into suitable teams for their ability. At the start of a curriculum sport, we conduct an initial assessment to best place pupils into groups and then continually observe and discuss progress to make recommendations for selection, with pupils moving up, as well as down teams and teaching groups.

To adhere to our Green Travel Plan, which aims to limit traffic congestion and ensure safety, we ask parents when watching fixtures, to park outside of our sports ground and walk in. Co-curricular club collection points and timings (from Hinchley Wood) for Years 2 to 6 on Monday, Tuesday, Wednesday, and Thursday are at one of the following locations:

- Hinchley Wood Railway Station Bus Stop on Manor Road North (opposite the hardware shop, KT10 0SH) - 5.05pm.
- Girls' Prep car park via the drive through - 5.15pm.

Houses

There are three school Houses:

- Arundel
- Balmoral
- Caernarvon

The girls will be allocated to their Houses in the first term at our School. When pupils reach 75 House points, they will receive a bronze certificate; 150 points, a silver certificate; 225 points, a gold certificate and for 300 points, a platinum certificate and a badge.

Certificates

At the Girls' Prep School, weekly certificates are awarded in our Celebration Assembly. An end-of-term certificate is given to a pupil in each form to congratulate the pupil on something achieved across the term.

School Coach Routes

Royale European offer eleven bus routes to

pupils in the School. All the coaches are fitted with seat belts. The routes, timings and prices can be found on the school website www.surbitonhigh.com/admissions/transport. For further information or to request a place on a coach, please email transport@surbitonhigh.com.

Green & Silver Club

Growing out of the original association formed in 1898 (OGOSH – the Old Girls of Surbiton High), the Green & Silver Club has evolved to encompass all pupils, parents, and staff; past and present as one community. It is run by a committee of members. The Club focuses on celebrating the benefits of a Surbiton High School education by providing opportunities to create and rekindle memories, as well as to help forge beneficial connections between its members.

The aims of the Green & Silver Club are:

- To connect with current pupils and parents to raise awareness of the Green & Silver Club network.
- To provide alumni with the opportunity for social and professional networking and career development.
- To enable alumni to give back to the School through volunteering, mentoring or career talks to current pupils.
- To publish news and information about the Green & Silver Club and the School.
- To hold reunion events and functions throughout the year with a focus on increasing our alumni engagement
- To promote, enhance and support the reputation of the School and its strategic aims.

Additionally, the Green & Silver Bursary Fund was launched in 2015, with the purpose of helping those whose financial circumstances prevent them from accessing the benefits of a Surbiton High School education. The Green & Silver Club Award will be up to 30% of the current school fees, which can be received by one pupil or shared between pupils. The Award will be reviewed annually. Pupils not eligible for a CFSP Bursary are still entitled to apply, provided they meet the means-tested criteria. The modest £12 annual subscription from current parents, together with donations of money, time and talent from so many of our alumni, help support the Green & Silver Club.

Parents' Association (SHSPA)

The PA Committee organises a variety of social functions during the year for the purpose of bringing people together, to help create a broader sense of community and to fundraise for luxury (non- infrastructure) items and experiences that enhance the pupil experience. The PA also holds a number of Nearly New Uniform Sales throughout the year. For more information, please go to www.surbitonhigh.com/parents-association. Membership of the Parents' Association is open to all parents and is automatic on payment of an annual subscription of £12 per family or such other sum as may be decided upon at any Annual General Meeting. This annual subscription is payable each academic year and appears on the school fee invoice in the Spring Term.

Subscriptions do qualify for Gift Aid as the PA is a registered charity. The PA would be grateful if you could fill in the Parents' Association Gift Aid Form so that they can claim tax back from the Inland Revenue. Any higher rate tax payers can also include the subscription as a charitable donation on their annual tax return. The PA rely on the community of parent volunteers and staff and couldn't continue to make an impact without them. Keep in touch with what they are up to by following them on Instagram [@shsparentsassoc](https://www.instagram.com/shsparentsassoc) and check out their website, www.surbitonhigh.com/parents-association. They are always keen to get more volunteers, so if you are looking to be a part of the school community and have fun getting to know other parents, they would love to have you on board! ■

NEARLY NEW UNIFORM SALES

Regular Nearly New Uniform Sales are arranged by the Surbiton High School PA Committee. For more details, visit our School [website](#).

Labelling

All formal uniform should be labelled on the inside, with either iron-on or 8mm woven name tapes. All sports and art items also need to be clearly labelled inside (not on the outside) with either iron-on or 8mm woven name tapes. Please note the recommended format for Reception to Year 2 is first and second name e.g. Alison Smith. When requesting embroidery, please use initials only on the outside of bags, for safeguarding purposes.

Houses

Pupils will be allocated a House when starting the School. House t-shirts can be purchased from AlleyCatz for delivery to the School.

Seasonal Uniform

Summer uniform is worn from September through to the half term break in the Autumn

Term and again from after the Easter break until July. Winter uniform is worn from after the half term break in October until the end of the Spring Term in March.

Appearance

All girls are required to wear school uniform and a neat appearance is expected at all times. On PE and Games lesson days, the girls can wear their sports kit but must have their waterproof jacket with them in case of inclement weather. Hair should be kept tidy and neatly tied back off the face. Jewellery, nail polish, Fitbits and other internet-enabled wearables are not permitted. Digital or analogue watches are allowed. ■
